1	Andrea Picton	Change	*** SECTION XXVIII *** MISCELLANEOUS	All members producing a valid numbered membership card are to be admitted free of charge to all HRARodeos on the day they are competing.	Keep Membership Cards- get rid of the numbers. Our membership numbers are inaccurate. Years of poor record keeping have resulted in the same number for multiple members.
2	Courtney Roehl	Hometown Entries			Host committees be responsible for taking all hometown entries and payments. They would be required to submit their list of entries to the ACE by 7:30PM on the day of regular entries and be required to pay all entries with their other fees/added money.

There have been a number of hometown entries added to the draw and not entered on Jotform, they get missed for billing, waivers don't get signed and we have no contact information if we need to pay them or collect money from them.
4	Andrea Picton	Add	*** SECTION III *** MEMBERSHIPS #16.		Add a mandatory \$100 fundraising fee to membership. All motions at the AGM will be discussed and amended if needed, then posted online for 1 week of voting to the whole membership.	Remove: "through online voting application" and "then posted online for 1 week of voting to the whole membership" We have poor voter turnout when done online. Only members present can vote.

10	Ciera Willis	Add	*** SECTION XXX *** EVENT RULES		Add ladies ranch Bronc event (separate from the guys). I think it would get more girls entered in the sport. Lots are intimidated being against the guys or think they don't have a chance to win so don't enter . I think having some softer stock chosen for the ladies would help as well. In other provinces the girls are separate from the guys in this event.

No Billy goats are to be used.	Goats may be culled at the option of the goat tying director and should be between 40 and 60 lbs with horns tipped if needed. No Pigmy goats are to be used. Reasoning: there's very little difference between a billy and a nanny when goat tying. Pigmy goats have very short legs, and large belly's when they are within the weight range making them difficult to tie. This follows the NHSRA rule book.
